Miss Sugar another sell out!

The Ladies' Evening with Miss Sugar (above) was another invigorating evening. The entertainment was first class, the food, as ever, provided by Mitch was a lovely Italian theme night. In all, 92 ladies attended the evening and danced the night away. The event was also successful in raising money for North West Air Ambulance (£525) and the Ladies' Section (£546). Fantastic night! Wish you'd been there? Well look out for the following events.
