

GETTING INTO GOLF – PROGRAMME FOR LADIES NEW TO GOLF - 2019

Listed below is our programme of coaching sessions as part of our activities for ladies who are just starting out in the game. There will be an initial try golf session where we will introduce you to the game. This session is free. This will be followed by 6 group sessions with a qualified PGA professional. There is some flexibility in this to allow for weather conditions etc. Weekly sessions will then take place with current lady members to allow you to practise your skills.

The only cost is a joining fee to the Club of £50 to become a Try Golf member for 3 months. All equipment will be provided and no need to buy any specialist golf clothing. Come along and try it.
